Values

- Easy fit to pits of different shapes and sizes
- Installed in 30 minutes
- Ready to use 12 hours after installation
- Works without sewer infrastructure
- Durable plastic has long life

Benefits

- Fresh smell - water seal controls odours
- Free from flies - water seal prevents flies from entering pit
- Easy cleaning - clean easily with water and soap
- Child safety - children cannot fall into pit
- Affordable - half the price of a ceramic pan

How it Works

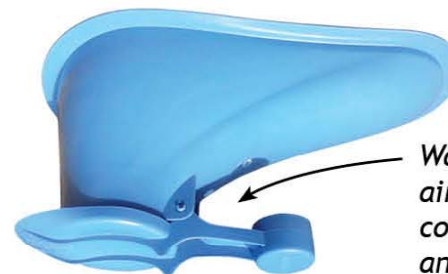

1. Use

2. Flush

3. Seal

Water forms airtight seal to control odours and keep flies out
